JUDGMENT

The petitioner's candidature for selection to the post of Instrument Mechanic in the Medical Educational Department was rejected on the ground that the certificate of experience produced by him is not in the proforma prescribed. The petitioner's contention is that the certificate of experience was issued by the Superintendent of Medical College Hospital, Alappuzha which was part of Medical Education Department itself and therefore the petitioner should not be found fault for the same. The petitioner further submits that the petitioner has now produced an appropriate certificate in the proforma which may be directed to be accepted as part of this application.

2. On the basis of the submissions made by the standing counsel for the PSC, I feel that in the facts and circumstances of the case, it is only appropriate that the PSC considers the certificate now produced as part of the application

of the petitioner's. The PSC shall process the petitioner's application accordingly and allow him to participate in the selection process on the promise that the petitioner has submitted a valid application.

The writ petition is disposed of as above.

S.SIRI JAGAN,
JUDGE
